Attachments: PrelimCompReview.pdf

Abbot, we received the attached preliminary compliance report. Please be advised that we only had flow during one week for No. 2 Dam, so there were no deficiencies for not sampling weekly. We sampled during the week the dam discharged. A value for one parameter for the sewage treatment plant was inadvertently omitted. It was changed and re-submitted today.

Subject: Ohio Valley Coal Co Powhatan No 6 Mine * Preliminary Compliance Review - March 2009

The email address for this correspondence came from the Discharge Monitoring Report (DMR) submittal for the above listed facility. If you submit DMR data on behalf of the facility owner/permittee, please forward this email to the owner/permittee. The attached PDF file contains the Preliminary Compliance Review (PCR) for the above listed DMR. Receipt of this report indicates that Ohio EPA has screened the self-monitoring data submitted and has identified potential compliance problems.

Thank You.
